Subject: NCRO – Pre-qualification for procurement

Dear Mr. Ghufraan,

Reference is made to NCRO's submission for procurement pre-qualification. We also refer to several email exchanges on the matter.

In the interest of formalizing our email correspondence, UNHCR would like to thank you for the cooperation provided during the evaluation process and appreciates the effort your agency made to be compliant with UNCHR Partners Procurement Guidelines.

After completing the evaluation it was determined that NCRO's procurement policies and procedures meet the requirements for procurement pre-qualification.

I herewith confirm that UNHCR grants NCRO **Pre-qualification for Procurement status with national scope** to carry out procurement activities for UNHCR funded programs. This is valid from **30 January 2016 to 31 December 2020** when another evaluation shall be conducted.

Yours Sincerely,

Mr. Stephen Ingles

Head of Procurement UNHCR
